## **Lane reductions along IL 83 begin Monday**

**CHICAGO** The Illinois Department of Transportation (IDOT) announced that work is scheduled to start along Illinois Route 83 (Sibley Boulevard) for a resurfacing project between Torrence Avenue and Dixie Highway beginning, weather permitting, Monday, April 13.

In order to complete the work, temporary daytime lane closures on both eastbound and westbound IL 83 should be expected. The location of closed lanes will change daily on this 7 mile long project.

The project, which includes work in Harvey, Dixmoor, South Holland, Dolton and Calumet City, will be completed by the end of August.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at [www.travelmidwest.com](http://www.travelmidwest.com).
